

Annual Goodwill Golf Classic

The Goodwill Golf Classic is a fun, laid back, no frills event for our golf enthusiasts. For the past 6 years golfing teams have come out in full support of our Goodwill programs and services, which help to make a difference for thousands of people we serve each year. If you love golf and you want to help people in our community discover their full potential through independence and opportunity—there is no easier way to support Goodwill!

Last year, we surpassed our goal of \$14,000 raised! Thank you!!
