## Spotlight Mission for October - Goodwill Services

### Goodwill Janitorial Services

We provide all of your janitorial service needs; windows and floors, concrete and conference rooms, offices and bathrooms. Goodwill's sustainable cleaning methods reduce water usage and lessen the use of harsh cleaning chemicals. When requested, we can utilize environmentally safe chemicals and even provide chemical-free cleaning. (Insured and bondable) *Yes, we do windows!*

Goodwill Janitorial Services can clean your business - both inside and out!

### Pressure Washing:

Our trained janitorial services staff can pressure wash your building, sidewalk, patio, deck, fence, and parking lot for a clean, professional appearance. Pressure washing is effective for removal of dirt, algae, mold, grease, and even chewing gum. *Great for post-construction cleaning, too!* (Insured and bondable)
