Meet one of our Breakthrough Award Winners

Chet Perry Breakthrough Achiever

Angie Burnette just celebrated 30 years working for Goodwill in Clewiston. Through her job, Angie has found a sense of purpose.

“She loves her job. That’s all she talks about,” says Ronal Cantley her Sunrise Direct Support Professional. “She can’t wait to get to work. The day before she works, she goes to bed at like 7 p.m. at night, just so she can get up at 5 a.m. to get to work. She loves it.”

“Angie is a wonderful young woman. She loves working at Goodwill,” says Sunrise Director of Operations, Deborah Howell.

“I take her to work a lot of mornings,” says Roxiann Engel, Sunrise Residential Program Director. “and she’s like, ‘Come on we got to go. Come on we got to go. We got to set my phone.’ She’s just an amazing lady.”

“She’s got a great attitude,” says Clewiston Store Manager, Xavion Scott.

Angeline Burnett, Goodwill Employee

“Goodwill has done so much for her, for her independence and helping her with her finances because she does live alone with roommates,” says Ms. Howell. “Her job helps her tremendously.”

Angie says, “I’m going to stay as long as I can!”

Your Future Starts Here...Goodwill & Hodges join forces

New workforce training opportunities in Charlotte County were announced on April 29th at the new Kings Highway Goodwill CRC in Port Charlotte. Dr. John Meyer, President of Hodges University, announced a joint project between Goodwill SWFL and Hodges Direct to help get people trained and into in-demand careers.

Breakfast with the President

We had a nice group out for Breakfast with the President on May 13th. Visitors got a chance to learn about the Goodwill Mission, what programs and services are being offered here in Southwest Florida, and take a tour of the Opportunity Center.
