ReUNITE 
A UNITED WAY COLLABORATIVE

ReUnite is a community-based collaborative between United Way and law enforcement agencies in Lee, Hendry, and Glades Counties. It is offered free of charge for children and vulnerable adults who may be prone to wandering or becoming lost.

ReUnite is a multi-layered program that incorporates the Lee County Sheriff's Office Aviation Unit, drones, and a group of certified Bloodhounds – specifically designated for search and rescue operations.

The primary objective is to reduce search time when an individual is reported missing by a caregiver. This program provides families with a free scent kit which will aid search and rescue operations by equipping them with critical information in the event the at-risk individual becomes lost.

Southwest Florida International Airport adopts Hidden Disabilities Sunflower Program

Southwest Florida International Airport joined the Hidden Disabilities Sunflower Program, which is designed to allow travelers to let others know they have a nonvisible disability. The Sunflower symbol, printed on a lanyard, badge, hat, wrist bracelet, pin or other branded item, indicates a person may need more assistance. The program is voluntary, and any traveler who thinks they have a hidden disability can request a free Sunflower lanyard/badge at the Visitor Information booths in the East and West Atriums or Bag Claim from 10 a.m. to 5 p.m. at the south Fort Myers airport. Hidden disabilities can include people with sensory conditions, autism, epilepsy, limited vision, hearing impairment, difficulty walking or standing and more. Once a person has a Sunflower wearable, they can keep it and use it whenever they travel through RSW or any other airport or location that recognizes the program.

Hodges University is dedicated to training the professionals our community needs and deserves. Our Dental Hygiene students have been learning from experienced dental hygienists and dentists. Now, they are applying their developing knowledge and skills to help the children and adults in our community receive the preventative dental care they need. Good dental care is key to good overall health.

Services

Hodges University Dental Hygiene Clinic offers preventative dental hygiene care for children and adults. Services include:

- Oral Health Screening
- Preventative Dental Cleaning
- Digital X-Rays
